

**REMARKS**

By way of the present response, claims 1 and 4 have been amended, and non-elected claims 7-9 have been canceled without prejudice or disclaimer. Claims 1-6 currently are pending.

Applicant reserves the right to pursue the subject matter of claims 7-9 in a divisional application.

In the Office Action, claims 1-6 were objected to for including an informality with respect to the terms "other second data line pairs," as recited in the last line of claim 1 and in the penultimate line of claim 4. In response, Applicant has amended claims 1 and 4 to correct this informality. It is believed these amendments fully address the concerns of the Examiner expressed on pages 2-3 of the Action..

As no other issues are outstanding, it is believed that this application is in condition for immediate allowance. Prompt notification of the same is earnestly sought.

Respectfully submitted,
